WHY TO USE OUR LASER CONSUMABLE CASE?

Portable and practical laser consumable case contains the **complete line of consumable parts** suitable for laser cutting system **Trumpf®** and **Bystronic®**.

This case can also be used as the **operator's replacement kit** with a smart indicator of consumables that need to be reordered.

Or this case can also be used as a presentation case for the Thermacut distribution network.

TWO TYPES OF CONSUMABLE CASE FOR LASER CUTTING SYSTEMS:

- T-13050 - Case with laser consumables
- T-13051 - Empty case

- **COST SAVING SOLUTION**
- **CLEAR AND SAFE STORAGE OF CONSUMABLES**
- **SMART "ALL-IN-ONE" SOLUTION FOR LASER SYSTEMS TRUMPF® AND BYSTRONIC®**
